EDUCATION

B.E (CSE) - Sri Eshwar College of Engineering CGPA : 7.42 (up to 5th sem)	2023 - 2027
HSC - Xavier International College 75%	2021 - 2023
SEE - Ace Public School 86%	2013 - 2021

INTERNSHIP

MERN Stack Intern:	Feb 2025
Designed, developed, and deployed 3+ full-stack MERN applications (MongoDB, Express.js, React.js, Node.js), enhancing performance and boosting user engagement by 30% during my internship at RAMPex Technologies.	
Cybersecurity Intern	Jul 2025
Gained hands-on experience in cybersecurity at Prompt Infotech., enhancing system security and functionality using modern tools, while working on both network and application-level defenses."	

PROJECTS

Waste Management System: Created a web application for waste management that utilizes data from waste collection trucks to provide real-time location tracking. Application displays optimized routes on a map with directional information to monitor trucks as they collect and dispose of waste.	Project Link
SoftGrid Site : Developed a dynamic website for SoftGrid Technologies with feature-rich interactive pages, allowing users to explore services, projects, and team details. The site provides an engaging and smooth browsing experience with intuitive navigation and responsive design, ensuring seamless access across all devices.	Project Link
Cyber Hygiene Tracker: Developed a cybersecurity web application using engineered feature-rich applications, allowing businesses to monitor compliance, track incidents, and receive real-time alerts for vulnerabilities. The platform provides an interactive and engaging experience with smooth navigation and intuitive controls. It ensures a seamless responsive design and real-time protection.	Project Link

TECHNICAL SKILLS

Languages - C Python HTML CSS C++ Java	Query Language - MySQL MongoDB
Core Concepts - Data Structures OOPS DBMS	
Tools - VS code Replit Canva Github Eclipse	
Framework - Node.js React.js	

CERTIFICATIONS & BADGES

Fundamental of Deep Learning NVIDIA	2025
Technology Job Simulation Deloitte	2025
AWS Academy Graduate AWS Academy	2025
Mastering Data Structure and Algorithms Using C and C++ Udemy	2024
Python Programming HackerRank	2024

PROGRAMMING ACHIEVEMENTS

- **Leetcode** | Solved 187+ problems | Rating 1535
- **SkillRack** | Solved 400+ Problems
- **CodeChef** | 695 Rating in codechef
